To intervene to improve and solve problems in District 10 of the Ceiba Mocha Popular Council.

The objective is to improve the living conditions of the population, taking into account the needs, aspirations, problems or issues of interest to the community.

In this intervention there has been an active participation of all the organisms in conjunction with the electors of the community.

The massive participation of the population is highlighted, the neighbors are happy and satisfied since they are being listened to and solutions are being given to current but also aging problems and approaches.

Activities were carried out focused on the needs of the different areas, improving the roads, collecting garbage. Also homes and some areas have been painted, and the culture was present with the making of a beautiful mural where the identity of the district is reflected. There were books sales.

With its initiatives, the Health Organism were able to give services to the population. In addition, the sale of traditional green medicine was coordinated.

Also were present organizations such as the Ministry of Construction, the Commerce Company, the Cuban Post Office, the Directorate of Culture, among others. The Ministry of Labor intentionally gave attention to some people in need, who were benefited with the delivery of resources.

Food fairs were present in the intervention as well, to contribute to bringing products closer to the neighborhood.

"Doing is the best way to say" Therefore we will continue doing for the neighborhoods and for Cuba! Communication Group of the Municipal Government of Matanzas
