To intervene to improve and solve problems in District 83 of the Matanzas East Popular Council.

The objective is to improve the living conditions of the population, taking into account the needs, aspirations, problems or issues of interest to the community; This was expressed by the delegate Josefina Peñate.

In this intervention there has been an active participation of all the organisms in conjunction with the electors of the community, 24 CDRs are involved, all activated with their presidents, coordinators, the Federation of Women. The massive participation of the population is highlighted, the neighbors are happy and satisfied since they are being listened to and solutions are being given to current but also aging problems and approaches.

Special attention has been given by the Company of Aqueducts and Sewerage, to drains, pits, work is being done on the suppression of leaks.

The Municipal Directorate of Communals in conjunction with Road Company carry out activities focused on the needs of the different areas, paving, collecting debris, garbage. Also places such as the nursery school have been painted, and the culture was present with the making of a beautiful mural where the identity of the district is reflected. Afroatenas, Wonders of Infancy projects cheered the circumscription.

There were books and crafts sales. With its initiatives, the Health Organism achieved 22 voluntary blood donations. Vaccination with Abdala was also started for mothers with babies. All this took place in the Nursery School The Golden Age, a place where rooms were also enabled to provide stomatology and ophthalmology services to the population. In addition, the sale of traditional green medicine was coordinated.

The Ministry of Labor intentionally gave attention to the vulnerable, critical cases, mothers of more than 3 children, who were benefited with the delivery of resources.

Food fairs were present in the intervention to contribute to bringing products closer to the neighborhood.

"Doing is the best way to say" Therefore we will continue doing for the neighborhoods and for Cuba!
