The Federation of Cuban Women is a Cuban mass organization founded on August 23, 1960 whose objective is the equality and emancipation of women and has more than four million members.

Every August 23, the recognition of the people to the federated: altruistic women who represent life in society. Immense congratulations, housewives; techniques; workers; peasant women; scientific; researchers; professionals in different fields, health; education; sport; culture.

Women leaders; militia women; artists. You are the pillars of the country's development

The greatness of women is in the inspiration of their duty
